

# Visualizing Class Schedule Change, TouchNGo Soccer @Corona, CA

David Carbajal

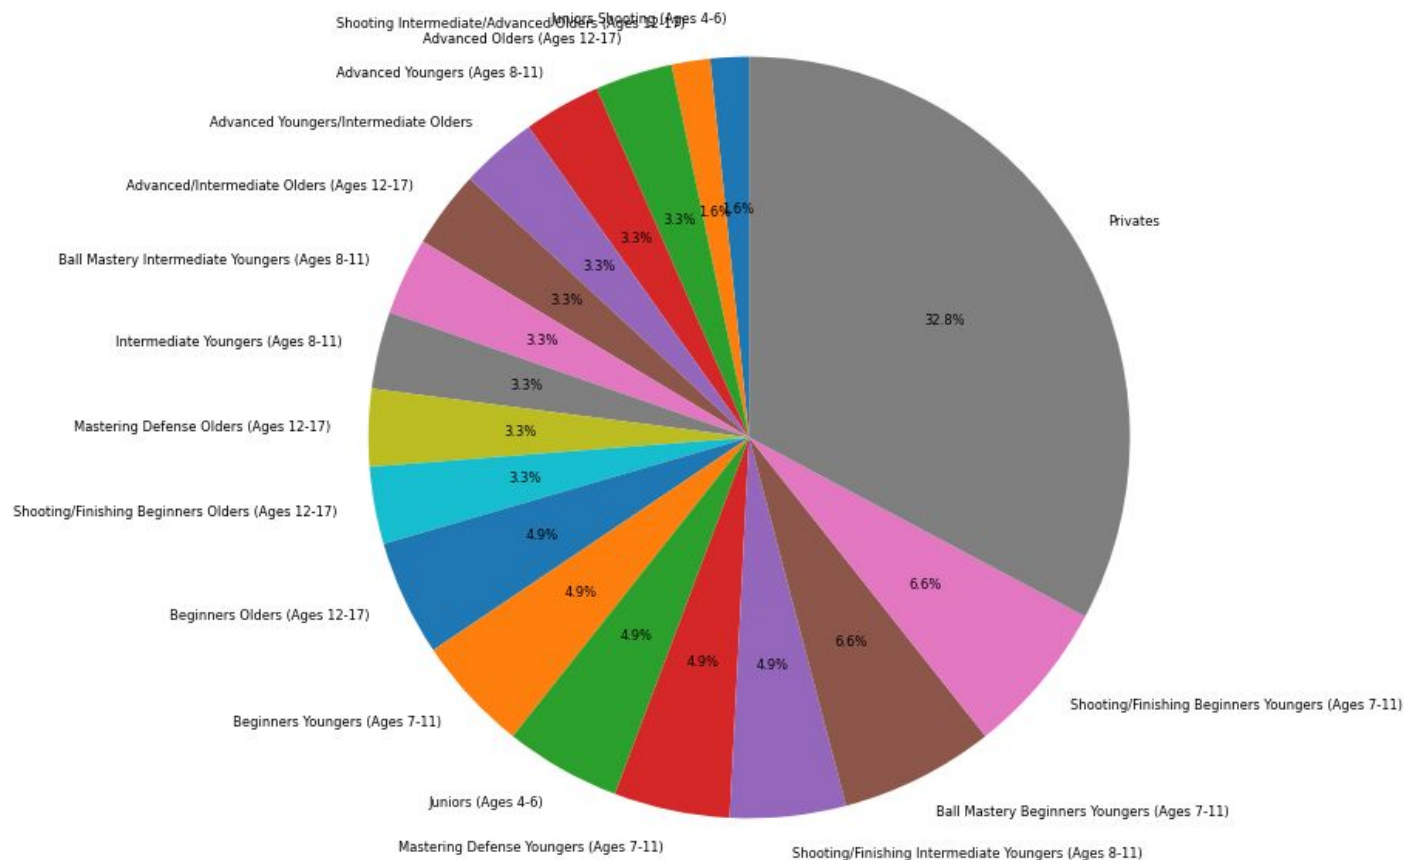

# The New Schedule:

The following slides (Slides 3-5) display visualized data on the New Schedule.

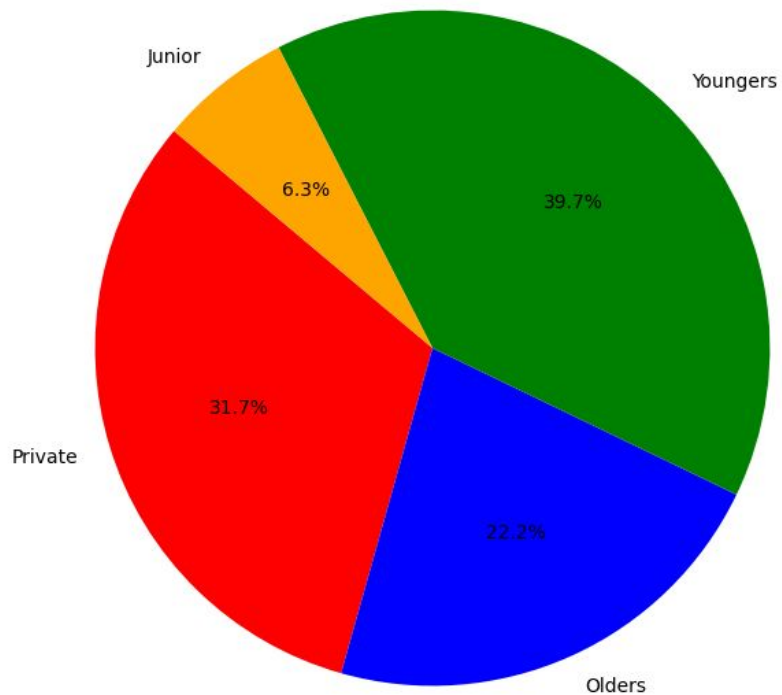

# Number of each class offered: (New Schedule)

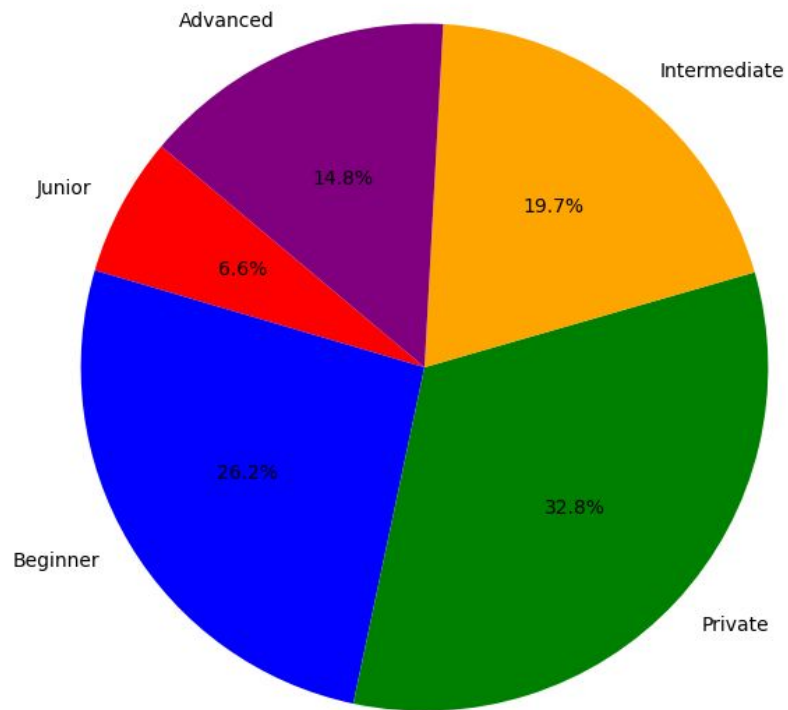

## Proportion of Classes Offered (New Class Schedule)

Distribution of Classes by Age (NEW SCHEDULE)

Distribution of Classes by Level (NEW SCHEDULE)

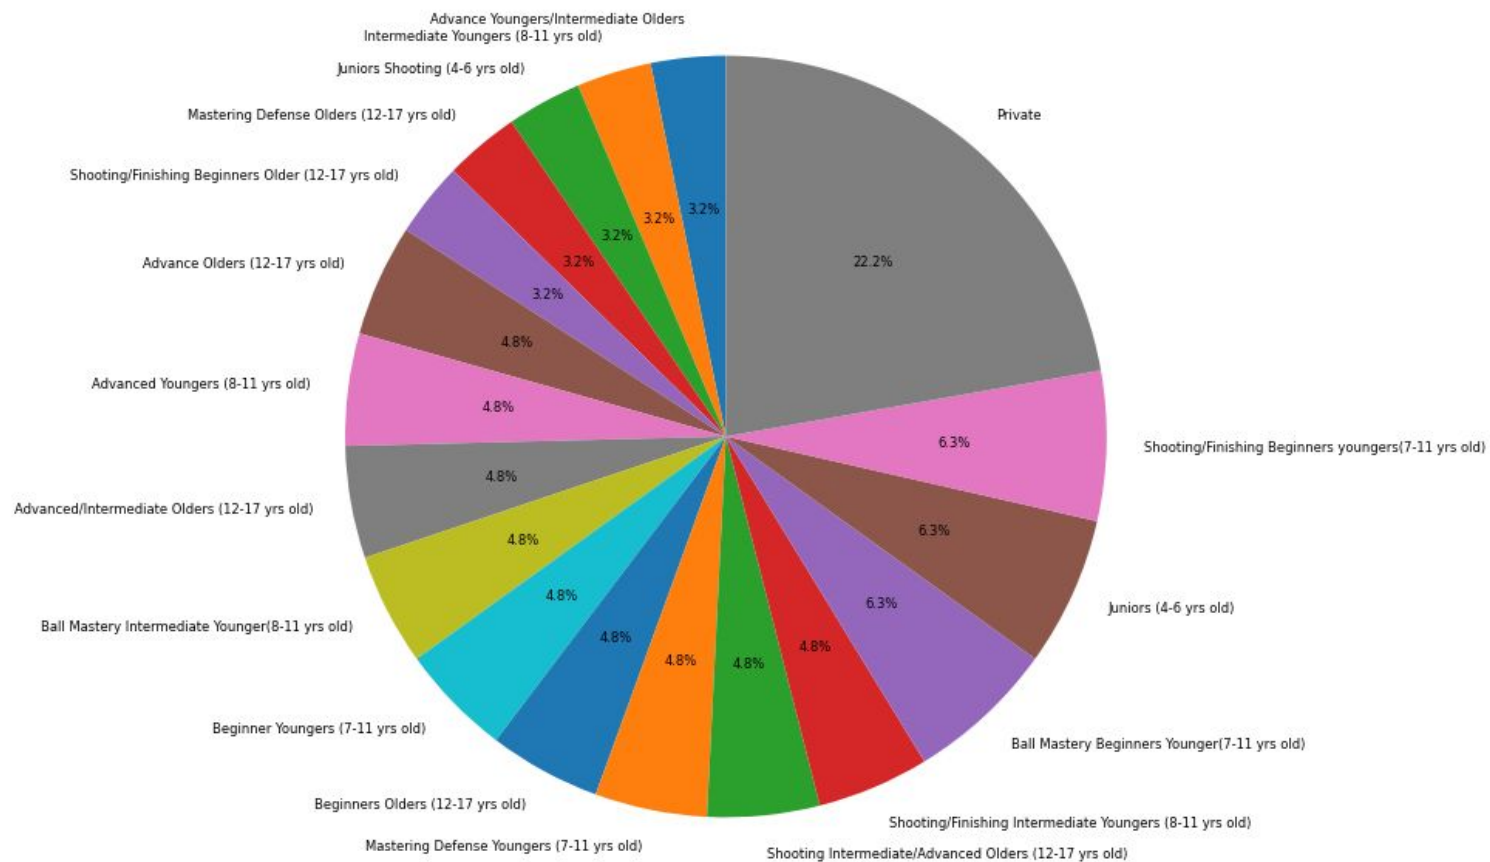

# The Old Schedule:

The following slides (Slides 7-9) display visualized data on the Old Schedule.

# Number of classes offered (OLD Schedule)

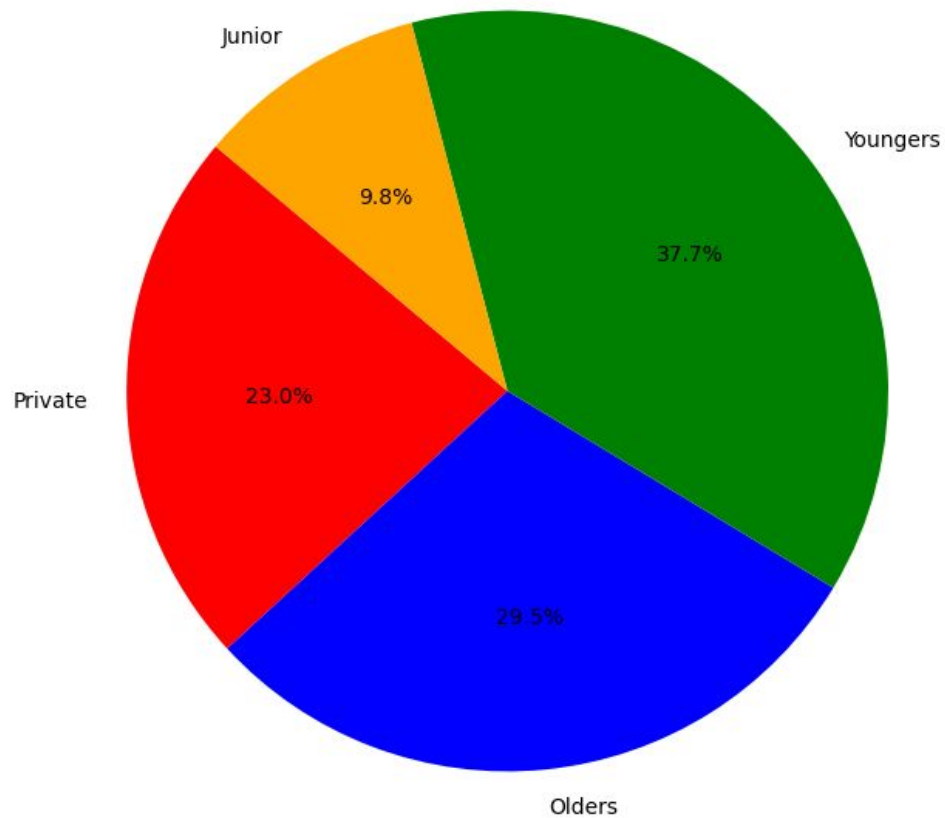

## Proportion of Classes Offered (OLD SCHEDULE)

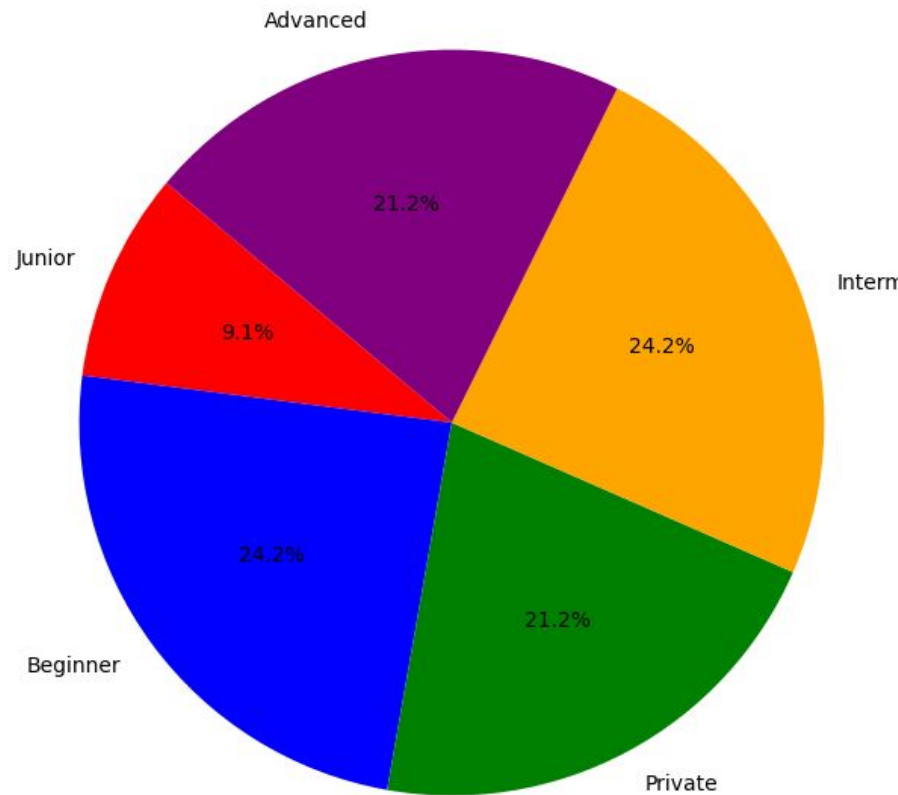

Distribution of Classes by Age (OLD SCHEDULE)

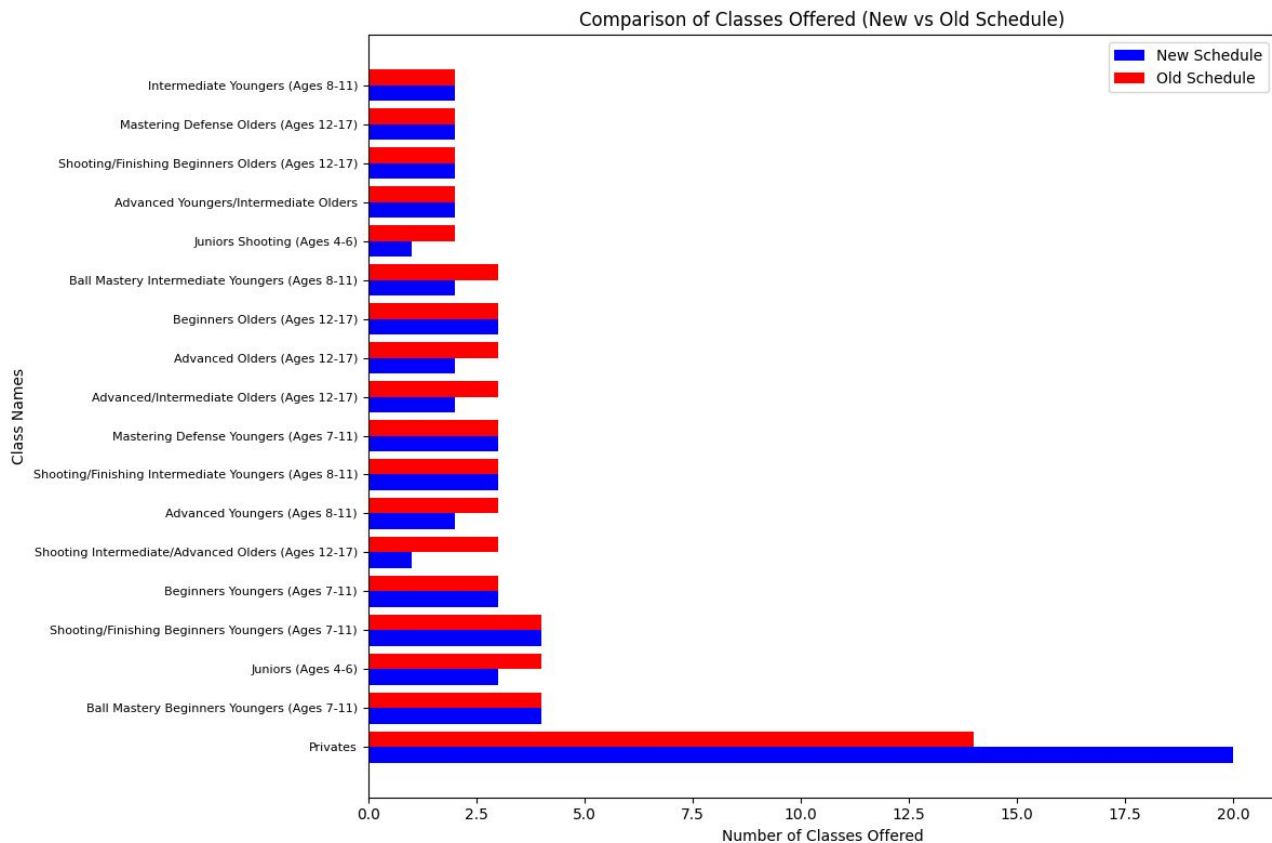

Distribution of Classes by Level (OLD SCHEDULE)

## Comparing the two schedules:

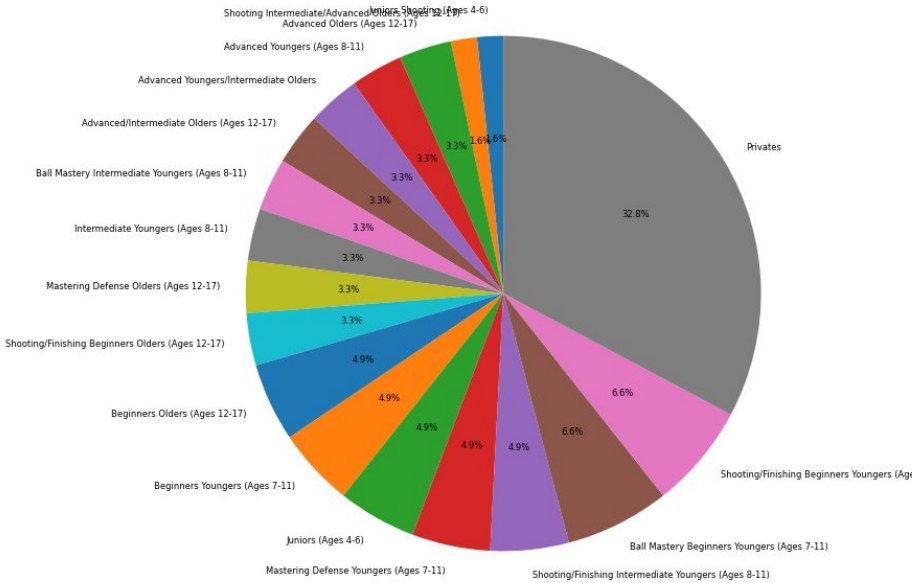

The next slides (slides 11 - 14) present the same or similar graphs, now arranged side by side (**New vs. Old Schedule**) to provide a clearer comparison of the changes made.

# Comparing Schedules: (Number of each class offered)

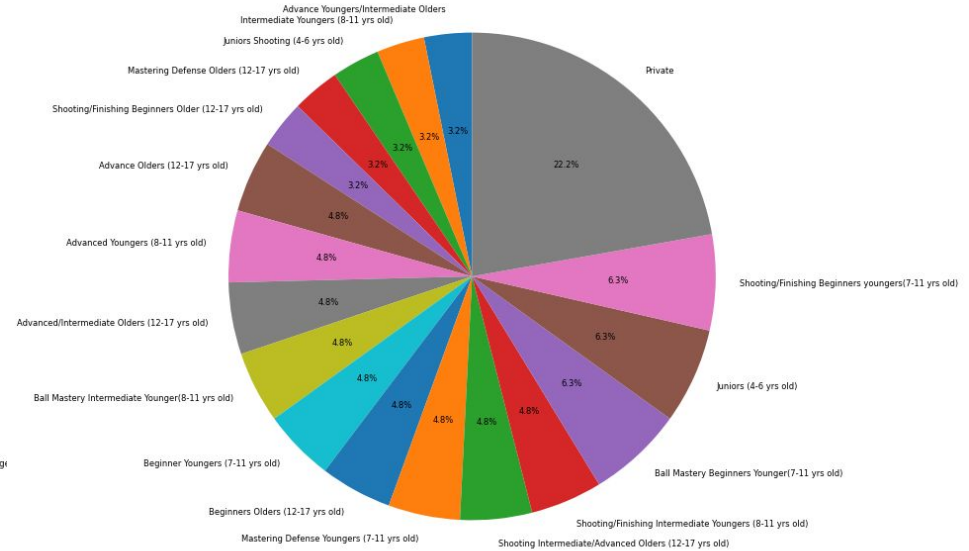

# Comparing class distributions (New VS Old)

### Proportion of Classes Offered (New Class Schedule)

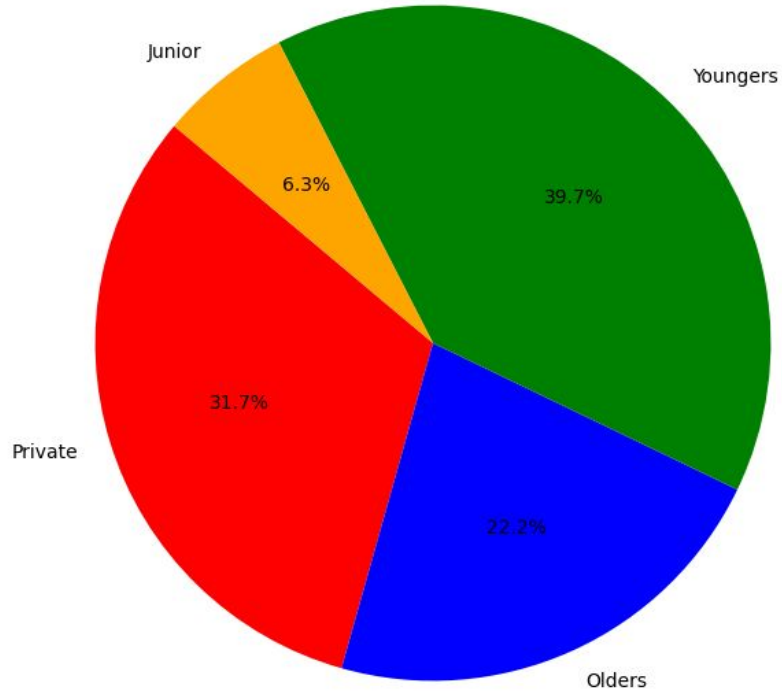

### Proportion of Classes Offered (OLD SCHEDULE)

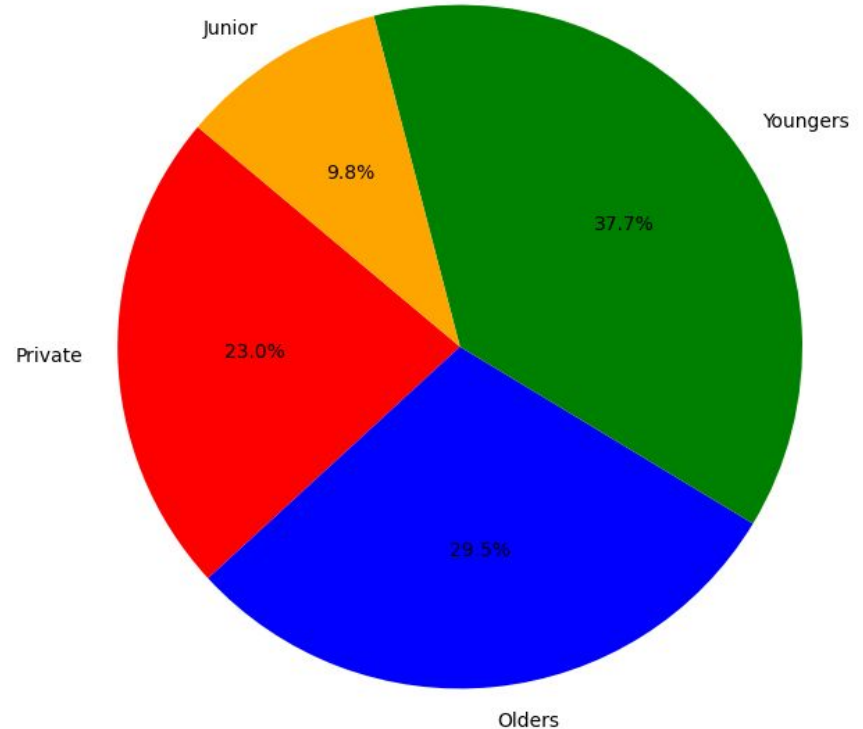

# Comparing distribution of classes by age (New VS Old)

Distribution of Classes by Age (NEW SCHEDULE)

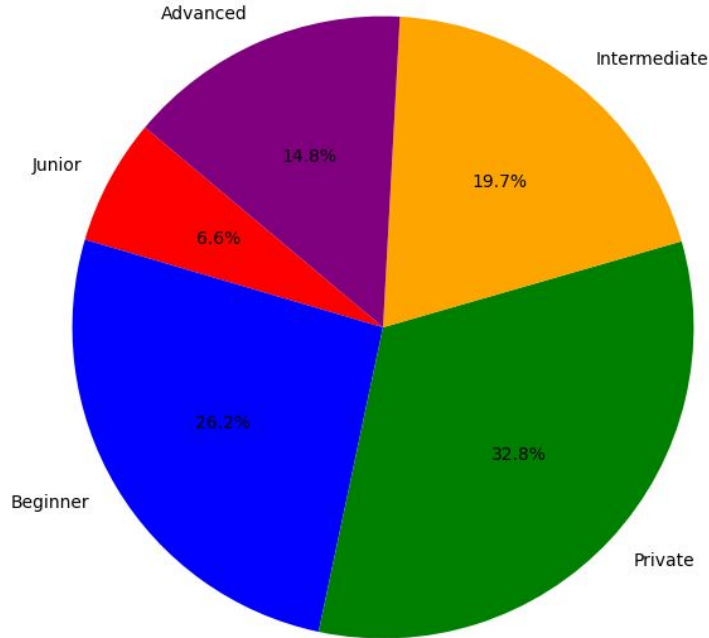

Distribution of Classes by Age (OLD SCHEDULE)

# Comparing distribution of classes by Level(New VS Old)

Distribution of Classes by Level (NEW SCHEDULE)

Distribution of Classes by Level (OLD SCHEDULE)
